FOR IMMEDIATE RELEASE

NIGHT LANE CLOSURES SCHEDULED FOR NEXT WEEK IN THE VISALIA AREA

The Department of Transportation (Caltrans) announces scheduled night time alternating lane closures of northbound and southbound State Route 63 between Mineral King and Sweet Avenue within the Visalia city limits. These closures will be necessary to allow Construction crews to perform pavement rehabilitation operations and roadway striping

The following night time closures will be in effect next week (weather permitting):

Northbound and Southbound State Route 63 between Mineral King and Sweet Avenue within the Visalia city limits, alternating lanes will be closed beginning Tuesday night, July 5 through Friday morning, July 8, 2011 between the hours of 6:00 p.m. and 6:00 a.m. each night.

Construction Crews will be conducting one way traffic control during this time with the use of flagging personnel through the work zone. Commuters are reminded to stay obey flagging personnel and pay close attention to road construction vehicles and personnel.

Closures may continue for longer periods of time each day if necessary, due to delays caused by weather or uncontrollable events that may occur during construction.

Caltrans would like to thank local residents, businesses and commuters for their patience and remind you to drive with extra care through construction zones and allow additional travel time while travelling in this area. Please be alert for Construction personnel and equipment and

“Slow for the Cone Zone.”
